Thank U☺👍👍👍👍READ MOREMehul RanaCertified Buyer, Surat11 months ago1633300PermalinkReport Abuse4Good quality productIts an overall perfect value product at this price. I have given 4 star to this product, 1 star deducted for screen quality but that is also okay type and manageable at this price. I would recommend to go for this product.READ MOREFlipkart CustomerCertified Buyer, KolkataMay, 20221089243PermalinkReport Abuse5TerrificBest tab for this price. When I see the tab for first time I notice there are visible pixels in display, but after some days I don't feel any problem. I had used the tab more than a week. The performance is very excellent for this price , good battery life , excellent build quality and feels premium. I would say that it's better than samsung tabs for this price. I love the tab. When camera process the image , the quality becomes excellent 👌.READ MORESam SathishCertified Buyer, PuthenvelikkaraMay, 2022813206PermalinkReport Abuse4Nice productBought this tab for my 2+ year kid.. configured with google family link service which is so useful and easy for parental control. I can control the entire tab what apps need to be shown / hidden , every setting of the tablet with this app from my mobile.. Bought 3gb / 32gb variant.. So far everything is so good in functionality .. Look and feel of the tab is similar like apple mini tab..😎😎Decent packing from seller.. worth for normal usage like web-surfing, OTT, document viewing and e...READ MOREFlipkart CustomerCertified Buyer, Dindigul10 months ago25557PermalinkReport Abuse4Value-for-moneyPros:1) Build quality feels good for this price2) Speakers3) Cameras are ok(couldn't expect better for the price)4) Battery and Fast chargeCons:1) Display.. could have been much betterREAD MOREPawanKalyan PulavartyCertified Buyer, SrikakulamMay, 202210023PermalinkReport Abuse5Just wow!I bought to attend my online coaching. Best thing dorthus Price. Good battery capacity. No heating issues. Good display. Camera is not that good but I don't need that. For watching classes and attending webinars this is apt.READ MOREAnjaly Krishna Certified Buyer, Thiruvananthapuram District10 months ago10127PermalinkReport Abuse4Good quality productGood product under 13000, in this price range product is awesome. Camera quality is not as expected. Battery performance is decent enough, in normal usage this would enough for two days usage. Display quality could be better. No screen protector/ plastic film applied on screen. Body is built of Mattel and design is nice. You can go for it without any hesitation.I bought 4+64 GB varient, decent enough to daily usages.READ MOREAshok BishnoiCertified Buyer, JaipurMay, 2022308PermalinkReport Abuse5Simply awesomeAlmost after one month of usage, i found this tab very nice and very great. Everything is fine lime body battery and price is awesome but they should improve some featuresREAD MOREDiksha DograCertified Buyer, New Delhi10 months ago414PermalinkReport Abuse3Just okayScreen is really below par realms should have added a bit more maybe 1k budget more and should have had a better screen , since for a tab screen is most important as it is mostly used for multimedia consumption, rest of the specs are ok , and obvio you can't expect great cam for a budget tablet that's fine.READ MOREAvik DeCertified Buyer, KolkataMay, 20225513PermalinkReport Abuse5Classy productI bought the realme Pad Mini from Flipkart the service was so fast as usual with flipkart.
